

**SUPREME BOATS**

*SURF WAKE RIDE*

The cares of the world fall away when you're on the water, and at Supreme we are committed to make boats that enable you to do just that. We see our boats as an investment – in your joy and peace of mind and, ultimately, as a tool for a positive change in your life. That's what's behind the care we take with each buyer and each custom boat we build.

JOY IS IN THE MOMENTS

# LET US INTRODUCE YOU TO FUN

Nothing compares to a great day on the water with family and friends. Supreme boats are designed to enhance your enjoyment and make that day worry free. The spacious lounge is built to hold up to 16 people in the S240 and 14 people in the S220. The seven-inch touch screen on the dash gives you instant access to all the systems and is visible even in harsh sunlight. The walkthrough bow leads to comfy seating thanks to the smooth ride of the EZ-V Hull. Access to our dual battery management system is now in the glovebox, so you never have to worry about digging through stored gear to locate the isolator switch. The comfortable driver's seat swivels conveniently when you want to face the lounge, but also puts the driver at the center of control. Swiveling BombShell 1.0 board racks on our F-Series Tower by Roswell make it convenient to access your board without having to lean awkwardly over the water. Our wingless windshield lets you easily reach out to the dock or speak to a rider as you pick them up without having to stand up or lean over.

# SURF WAKE RIDE

Supreme's two boats, the 220 and 240, are not just gateways to great surfing, they are both also really nice boats with built in comfort and convenience and customizable options. From the convenience of storage everywhere, to cupholders, to surround sound, these boats are built from the water up to be exceptional. Built on the EZ-V Hull, they adapt easily to offer smooth rough-water rides and great surf wave performance. Supreme boats are designed to make life better because time spent together on the water is time well spent. That's why we have thought of all the little things that just make the day go smoother – like the pop-up pylon available when you want to tow a tube or the cushioned back sun lounge – all designed to give you a Supreme experience.

# YOUR BOAT OUR PASSION THE SUPREME LIFE

At Supreme we measure success not just in sales and satisfied customers, but also in the smiles we create. We call it the Supreme Smile – that look of pleasure that appears when you ride behind, drive, or spend uninterrupted time with friends and family in our towboats. Your smiles are contagious and we aim to spread that contagion. Whether you are a beginner or a pro, Supreme offers the perfect opportunity for making life better. With our 5-year warranty, ownership of a world class Supreme boat also comes with the kind of peace of mind that enables one to relax and enjoy the ride.

# S220

LENGTH	BEAM	DRAFT	SEATING	DRY WEIGHT LBS	AVAIL. BALLAST LBS	FUEL GALLONS	STD TORQUE FT/LB
22'	102"	36"	14	5400	4400	70	409

Twenty-two feet of power and performance – built on the EZ-V Hull to take you from easy surf deployment to smooth rough water ride. Loaded with conveniences from the touchscreen Omni Dash system access, dual side fuel access, glovebox battery access and more. Holds up to 14 adults and all their gear comfortably. Not just a starter surf boat, but a great boat that stands on its own.

# S240

LENGTH	BEAM	DRAFT	SEATING	DRY WEIGHT LBS	AVAIL. BALLAST LBS	FUEL GALLONS	STD TORQUE FT/LB
24'	102"	36"	16	5700	4800	70	409

At 24 feet, the S240 is will make you do a double take at its entry-level positioning in the surf market. With all the conveniences of the EZ-V Hull and the built-in extras, there's nothing about this boat that feels like it's for a beginner, except how easy it is to use. Whether you just want to play or you're ready to take your surfing to the next level, the S240 will accommodate.
