2026 SUPREME BOATS SURF WAKE RIDE

BUILT FOR YOUR BEST DAYS

Step away from the noise and into the moments that matter. At Supreme, our boats are more than machines — they're a way to reclaim your time, your joy, and your peace of mind. With every custom build, we pour in the care and attention that can turn a simple day on the water into something life-changing. Because when the right boat meets the right owner, it doesn't just make waves. It makes life better.

THIS IS WHAT SUPREME FEELS LIKE

Nothing compares to a great day on the water with family and friends — and Supreme builds boats to make those days unforgettable. The spacious lounge with plush Comfort Strong upholstery creates the perfect hangout spot, while the Supreme Omni Dash system puts everything you need for an epic day right at your fingertips. QuickSurf lets you shape your wave in seconds, and the Wet Sounds dash stereo remote keeps the vibe going without missing a beat. Smart design makes every moment easier — like hinged lounge seating that gives you quick access to Rhino-Lined storage that prevents items from sliding around and the bold Battle Advanced Tower paired with the Supreme Sport Shield wingless windshield for style and function in one. And when it's time to crank it up, premium Champ Wet Sounds speakers turn your ride into a floating concert — because every Supreme day deserves a soundtrack as big as the memories you're making.

SURF WAKE RIDE

The S220 and S240 don't just take you surfing — they take you everywhere you want to go in style. With our EZ-V Hull, these boats deliver powerful surf waves and smooth rides no matter the conditions. Inside, every inch is crafted for action and comfort: smart storage for your gear, surround sound to keep the energy high, a cushioned sun lounge for when it's time to relax, and a pop-up pylon for towing tubes or riders. Supreme builds boats for more than just the ride—because on a Supreme, every moment on the water is time well spent.

YOUR BOAT OUR PASSION THE SUPREME LIFE

At Supreme, our goal is simple: build boats that make life better. We measure success in smiles — what we call the Supreme Smile — that spark of pure happiness when you ride, drive, or just enjoy unhurried time with family and friends on the water. Whether you're chasing your first wave or your hundredth, Supreme delivers performance you can trust and the peace of mind of a 5-year warranty. Because when you own a Supreme, the good times come standard.

LENGTH	BEAM	DRAFT	SEATING	DRY WEIGHT LBS	AVAIL. BALLAST LBS	FUEL GALLONS	STD TORQUE FT/LB
22'	102"	36"	14	5400	4400	70	409

The Supreme S220, built on our EZ-V hull, is 22 feet of “let’s do that again!” with room for 14 people. With up to 4,400 pounds of ballast and the all-new Fast Mover Ballast System with 13.5-gallon per minute SeaFlo pumps, you’ll be surf-ready in no time. Customize with seventeen gelcoat colors and keep the party going with the Wet Sounds Back Bone Eco System. Options like QuickSurf and the Silent Stinger Wake Plate make it even better.

LENGTH	BEAM	DRAFT	SEATING	DRY WEIGHT LBS	AVAIL. BALLAST LBS	FUEL GALLONS	STD TORQUE FT/LB
24'	102"	36"	16	5700	4800	70	409

The S240 is the big boat you didn’t know you could afford. This 24-footer seats 16 and packs as much as 4,800 pounds of ballast. The new Fast Mover Ballast System with 13.5-gallon per minute SeaFlo pumps fills up to 68% faster, getting you on the water quicker. Built on the EZ-V Hull, it delivers long, pushy waves and a level ride for clear visibility. Add the available QuickSurf System to create surf waves that rival premium towboats.
